DEAR Mr. WEISBERG:

I HAVE JUST FINISHED DAVID LIFTON'S BOOK BEST EVIDENCE. It is totally unbelievable; the deception and insult to the American public. I MADE A LIST OF ADDITIONAL books & Articles that I wanted to read. WhiteWash AND Post Mortem were two that were on that list. I found WhiteWash, Photographic At the library but HAVE BEEN UNABLE to locate Post Mortem At any library or bookstore in Memphis or Little Rock, Arkansas. Nor were the bookstores receptive to special ordering the book for me. I did learn that Post Mortem was available selling for \$10.00. PLEASE find a check for \$10.00 to cover the cost of the book. I would APPRECIATE ANY INFORMATION on any new manuscript regarding the Kennedy Assassination.

If it wouldn't be too great an inconvenience could you assist me in directing me to the source(s) to obtain copies of the Zapruder film frames, the Willis slides, the Moorman photo's and the Muchmore and Nix film frames and lastly the Altgen's photo of what APPEARS to be Lee Harvey Oswald, at the parade scene. Thank you for your assistance with the above and thank you for your work and dedication in pursuing this Government cover-up and deception. If I can be of any assistance in researching or documenting any item that would help shed more light on the Assassination please feel free to call or write.

Sincerely
Bob Brown

P.S. Please
Send COD for postage
if the 10.00 will not
cover your expenses

Dear Mr. Benn,

4/22/82

Thanks for the offer of help in Memphis. At the moment I need none but if this changes I'll let you know. I do intend to do another book on the King assassination.

And thanks for the kind things you said.

With regard to the pictures you seek, probably the best source is Penn Jones, who will receive mail addressed to him at Midlothian, Texas, 76065. What he cannot provide can probably be obtained from others to whom he can refer you.

I'm glad you could see through Lifton. His disinformation is currently being advertised heavily on radio in Washington, paperback edition.

We maintain a mailing list and will let you know when we publish ~~XX~~ again.

If I were to send the book C.O.D. you'd have an extra charge. Postage and insurance is about \$1.40. You can send me that or whatever it appears to be if you can make out the sum on the meter the post office will probably use.

Best wishes,

Harold Weisberg
